

Ayesha Yaqoob

Math Graduate

ayesha2020@namal.edu.pk

0306-6198103

Chishtian, pakistan

As a mathematics student with a passion for problem-solving, I thrive on tackling complex challenges and finding innovative solutions. With a keen eye for detail and a knack for analytical thinking, I approach problems with enthusiasm and dedication. Eager to apply my mathematical skills and contribute to impactful projects, I'm always seeking opportunities to expand my knowledge and make a meaningful difference.

EDUCATION

Bachelor in Mathematics Namal University Mianwali

10/2020 - Present

Mianwali, Pakistan

Courses

- Topology
- Mathematical Modeling
- Application of Non Linear Waves
