Mianwali, Pakistan

Passionate math enthusiast with a dream to become a pure mathematician while exploring the exciting world of data science. Eager to dive deep into the beauty of mathematical concepts while also leveraging data science tools to solve real-world problems. Ready to bring a blend of analytical skills, creativity, and a thirst for knowledge to any mathematical or data science endeavor.

EDUCATION

Bachelor of Mathematics Namal University Mianwali

09/2020 - 07/2024

Courses

- Calculus_1
- Ordinary Differential Equation
- Numerical Methods
- Machine Learning
- Linear Algebra 1 and 2
- Real Analysis_1
- Topology
- Complex Analysis

PERSONAL PROJECTS

Final Year Project

- Stroke prediction using optimization techniques and Algorithms based on Machine Learning.

Semester Project

- Discrete Math
- Radix Sort

Semester Project

- Optimization and Linear Programming
- Cost Minimization of Cafeteria of Namal University Mianwali.

Semester Project

- Non-linear Waves
- Hirota Bilinear Form

Semester Project

- Machine Learning
- Classification and Regression Analysis on Houses Data

WORK EXPERIENCE

Event Organizer Namal University Mianwali

Achievements/Tasks

- Director of event management in Namal Mathematical Society in Namal University.
- Organizer of Teacher Baithak in Namal University with the collaboration of Steam Ministry of Pakistan.
- Organizer of BOOT CAMP workshop in Namal University with the collaboration of Ministry of Federal Education.

SKILLS

Mathematics Problem Solver

Critical and Logical Reasoning

Basic level of Python

Maple

Leadership Qualities

Presentation

Management

MS Office

Tutor

Indoor Games

Team Work

Latex

ACHIEVEMENTS

Merit Base Scholarship in Superior College Mianwali
(2017 - 2019)

Namal Need Base Scholarship (2020 - 2024)

ORGANIZATIONS

Namal Mathematical Society

Director of Event Management

Teacher Baithak

Head

CERTIFICATES

Pakistan Calculus Contest (04/2022 - 04/2022)

Campus to Corporate Training (05/2023 - 05/2023)

BOOT CAMP

Teacher Baithak (09/2022 - 06/2023)

LANGUAGES

Urdu

Native or Bilingual Proficiency

English

Professional Working Proficiency

Chinese

Elementary Proficiency

Saraiki

Native or Bilingual Proficiency

INTERESTS

Pure Math

Logics

Data Science

Data Analytics

Writer
