WORK EXPERIENCE

Teacher Namal university

2023 - 2024

Achievements/Tasks

- I joined NSSI society. I helped students by teaching them Mathematics. I teach 12th class students. I tried my best to solve their difficulties due to which they were not able to solve questions. There I notice their behavior as a teacher. It was my good experience.

Presenter Government Girls Middle School Hafizabad

09/2013 - 12/2013

Achievements/Tasks

- when I was in 5th class I teach my class the same lecture delivered by teacher. She also allowed me to present in front of class because she knew that I feel happy by doing this. I was a brilliant student. Everyone called me "Book Warm" because I was fond of studying. I always complete my task before next class and also read next that we have to study in next class.

UNDERGRADUATE PROJECTS

Mathematical Analysis for Transmission Dynamics of Rotavirus Disease with Environmental Effects.
(10/2024 - Present)

- I am doing my final year project on "Mathematical Analysis for Transmission Dynamics of Rotavirus Disease with Environmental Effects". It is a disease by which every child in the world is infected with a Rotavirus at least once by the age of five. After completing my project I will be able to know how Rotavirus spread and how it will be vaccinated. I am doing this project in group.

Maths Corner (2024)

- I have delivered maths corner on the topic "How Musicians used Math in Music" I did this work in group form. We used two examples "Violin" and "Piano" . By taking these two examples we explained the use of math in music.
