

DANISH ABDULLAH KHAN | RESUME

- › Status: Pursuing BSCS degree at Namal University Mianwali
- › Skills: C#/.Net, C++, Python, JavaScript, HTML, CSS, SQL
- › Tools: Visual Studio, VS Code, SSMS, MySQL, Azure, Cisco Packet Tracer
- › Interests: Web Applications (.Net Core), Databases, Cloud Computing
- › Languages: English (Fluent), Urdu (Native), Saraiki (Mother Tongue)
- › Certification: Nebosh IGC (UK) Level 3

››› Summary

Deeply passionate about full stack development and databases, I am actively training to become a .NET Full Stack Developer, with particular interest in Microsoft's .NET Core framework and cloud platforms such as Azure. My academic journey is complemented by hands-on use of tools like Visual Studio, SSMS, MySQL and other tools.

I am now seeking an opportunity to apply my skills in an international research environment, where I aim to contribute to cutting-edge technological initiatives, while gaining valuable interdisciplinary exposure and practical experience.

››› Experience

'08/07-08/09 **Intern** Speridian Technologies

- › Contributed to the development of enterprise web applications using the .NET Core framework and C#.
- › Worked on database design and management, including writing and optimizing SQL queries.
- › Collaborated with senior developers to troubleshoot and resolve backend issues.
- › Gained practical experience in building scalable web solutions and improving software quality.
- › Actively learning best practices in software development, version control, and Agile methodologies.

'Jul 2022 - now **Freelance Developer and Tutor** Fiverr

- › Providing freelance development services in C++, including application development and algorithm optimization.
- › Tutoring students and professionals in programming concepts, C++, and software development best practices.
- › Assisting clients with SQL database design, optimization, and data analysis projects.
- › Managing multiple projects independently while ensuring timely delivery and high client satisfaction.

››› Education

2022 - 2026 **Bachelor's Degree, Computer Science** Namal University Mianwali

- › Currently pursuing coursework in software development, databases, data structures, and web technologies.

2020 - 2022 **F.Sc Pre-Engineering** The Reader College

- › Completed intermediate studies with focus on Mathematics, Physics, and Chemistry.
